

July 1, 2011

Below are anticipated construction activities for the week of 7/4/2011.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. However, most construction will be suspended over the 4th of July weekend. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**
